PRODUITS OU MACHINES

O Vidroplano magazine: Created in 1957, it is the largest and the most complete publication of the Brazilian glass segment. Edited by Abravidro, their monthly pages portray the market development and innovation in Brazil and around the world. With excellent editorial quality and graphic presentation, it is distributed to entrepreneurs, glaziers, contractors, construction companies, architects, decorators, engineers and the glass industry suppliers in Latin America, as well as universities and professional associations linked to the segment.

Standardization: Since 1998, Abravidro is the headquarters of the Brazilian Glass Committee of the Flat Glass (ABNT/CB-37), responsible for developing and updating flat glass technical standards along with the Brazilian Association for the Technical Standards (ABNT, in Portuguese), the body that carries out technical standards in Brazil.

Glass South America fair: the largest glass trade show in South America is supported by Abravidro. Organized every two years in Sao Paulo, this event shows the most advanced technologies, products and services as well as conferences and technical seminars.
