PRODUITS OU MACHINES

GLASWELT Magazine for the flat Glass Industry

As the leading, independent German trade magazine for the glass and facade and window manufacturing and the solar sector. **GLASWELT** keeps readers up to date on all aspects of manufacturing, processing and finishing of glass as well as window and facade systems and related supporting industries.

GLASWELT provides with it's homepage and a newsletter plenty of tips and information concerning everything related to the magazine edition and vice versa. The internet platform maintains next to daily news and a wide range of free downloads an international database of manufacturers, processors and suppliers also a range of related scientific institutions.

GLASWEL is a monthly magazin (12 issues per year)

HISTOIRE DE L'ENTREPRISE

Gentner Verlag Stuttgart

70 years in the publishing business have gone into making Gentner Verlag Stuttgart what it is today. True to the tradition of an independent family concern, from modest roots the group has developed into an international player in world publishing. An integral element in the company's strategy is the provision of key information designed to give the customer a competitive advantage.

Subject matter is focused on the fields of buildings installations and services and medicine. Core products include technical periodicals, books, information materials, exhibition catalogues as well as a range of Internet offerings.

The move towards internationalization began with the opening of the door to the markets of Eastern Europe. Today, the group publishes over 60 technical magazine in 10 countries world-wide. Plans are afoot to establish further subsidiaries.
