PRODUITS OU MACHINES

Haldyn, is engaged in the manufacturing of Glass containers. It has an experience of over five decades in creating innovative bottle shapes and sophisticated designs, giving a cutting-edge advantage to its clients. Due to the expertise of its glass technologists and other technical and management resources and long established world class manufacturing and management systems, Haldyn is recognised as the leading Flint Glass container manufacturer in India. With the ability to meet client demand and quality standards with short lead times, Haldyn caters to the Food, Beverage, Liquor, and other emerging consumer businesses which require innovative and contemporary packaging designs.

Haldyn Heinz manufactures perfume and cosmetic glass bottles for international and domestic markets by utilising both, Heinz's worldwide network and Haldyn's integrated quality management system. With an entrepreneurial vision and the heritage of meeting the ever changing needs of customers, we plan to supply the finest in exclusive products and exceptional designs.

We provide comprehensive glass packaging including decoration services. Our design services team works closely with our customers on new product development which is beautifully complemented by our state of the art decoration capabilities. Our deep and extensive international expertise has helped us establish this world class facility to cater to the needs and standards of our international customers.
